## ○ Personal

First, last name: **Robert Oswald**  
Phone: **+381-62-8158-921**  
E-mail: **ro.osswald@gmail.com**  
Skype: **r.osswald**  
Website: **http://robertosswald.com**  
DOB: **06.10.1976.**

## ○ Education

**"Stevan Puzić" Grammar school, Ruma**  
Grad. 1995.

**Mathematical Faculty of Belgrade**  
3 yrs, Computer science

## ○ Languages

**English** (fluent)  
**Russian** (basic)  
**Serbo-Croatian** (native)

## ○ Technologies

### PHP

(10+ years)

- OO characteristics of PHP (since 4.x till 7.x);
- Communicating with different database engines: MySQL, PostgreSQL;
- Database abstraction and persistence libraries: native PDO, *ADODB*, *Doctrine*, *Zend\_DB*, *Eloquent*;
- Smarty, Twig, Blade templating engines;
- Working with different MVC frameworks: *Zend 1*, *Symfony 2.x/3.x*, *Laravel 5.x*;
- Interacting with external APIs using CURL+XML, RESTful or SOAP;
- Modification and plugin coding for several CMS (*Oxid*, *Joomla*, (old) *Drupal* and some less known);
- Source control: *git*, *SVN*, *CVS*
- ElasticSearch - mapping, indexing, searching, and implementation into framework

### HTML and CSS

(14+ years)

- HTML5, CSS3;
- AJAX/DOM, vanilla JavaScript, Prototype, JQuery;
- JQueryUI, Bootstrap;
- PSD to HTML+CSS conversion;
- Responsive design concepts;

### JAVA

(2 years)

- J2EE - EJB 3.0
- *Toplink* ORM
- *Glassfish* app-server usage
- Connecting to PostgreSQL and MySQL databases

## ○ Projects and references

### Past projects

- **(2013-2014)**
- <http://www.follwr.com> - betting tips + social network-type site portal (Startup); Zend framework.
- **(2010-2012)**
- <http://www.hautelook.com> - web store of Nordstrom, Inc. owned Hautelook private sales outlet from Los Angeles. Zend framework + custom libraries, also serving iOS and Android apps via RESTful services. Modern, design-pattern-based OO code.
- **(2006-2009)**  
Mostly smaller basic company websites, some of them with product catalogues and articles sections. Done in my own CMS
- <http://www.kobrabane.com>, <http://www.homeopata.rs>, <http://www.menjacnica-panter.co.rs>, <http://www.livnica-metalurg.com>, <http://www.jugohulahop.co.rs>
- <http://www.SMSmate.com.au> (design changed now) - bulk/group SMS gateway with and email/addressbook/PayPal integration, logs, templates, etc. PHP5, AJAX, CURL + XML

### Earlier and defunct projects (no longer online)

- **(1999-2000)** Collegsabroad.com - student exchange agency website, static HTML+CSS. My first paid project.
- **(2001)** Mp3yu.com - mp3 download site for ex-Yugoslavian area. ASP engine with CSS-HTML templates.
- **(2002)** 7ms (Seven Marketing System) - MLM back-end with automatic entry of members in MLM tree (ternary tree with some specifics about inheritance and profit forwarding), and provision calculation. Initially done in ASP, later converted to PHP. Several smaller Delphi apps for the same system. I've learnt PHP while working on this project.
- **(2002)** Hydrostone.co.yu - construction material company's site, static, with PHP dynamic gallery.
- **(2004-2005)** Global Office project for Visiongate AG. Application consisted of interoperable components: webmail, addressbook, organizer, calendar, SMS-gateway, online storage + file manager, bookmark manager. PHP4 and MySQL, APIs.
- **(2007)** <http://www.boxer-review.com> - portal for German Boxer dog breeders with structured dog pedigree database. PHP5 + ADODB + ActiveRecord + Smarty.
- **(2008-2009)** <http://www.famibook.com> (offline), <http://www.thewomencity.com/>, <http://www.thecocoonclub.com/> - location-based social networking sites sharing the common code. PHP5, internal Activerecord implementation, AJAX with Prototype, APIs.
- **(2009-2010)** <http://www.putokazdoposla.rs> - CV-search portal for employers, Drupal with significant database/user section customization.
- **(2007-2010)** <http://www.galijatavel.com>, <http://www.senza-paura.com> (shopping cart), <http://www.perictc.com>, <http://www.medilink.rs>, <http://www.skoladobrevolje.com>, <http://www.poslasticarnica-biljana.co.rs>, <http://www.volga.rs>, <http://www.pari-paris.info>,
